SECTION 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in the Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Final Terms Certificate, provided that their dated date shall not be more than 60 days prior to the Closing Date. Ordinance No. 76-10

RESCINDED 11/3/10: 6-Yes; 0-No
Passed October 25, 20 10

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate and having the same Tax Status as the Term Bonds so delivered. That option shall be exercised by the City on or before the 15th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Fiscal Officer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Fiscal Officer, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate and having the same Tax Status as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Fiscal Officer, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate and having the same Tax Status as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the Tax Status, interest rates and maturities, if any, specified in the Final Terms Certificate shall be subject to redemption by and at the sole option of the City, in whole or in part in integral multiples of \$5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Fiscal Officer in the Final Terms Certificate; provided that the redemption price for the earliest optional redemption date shall not be greater than 102%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Fiscal Officer to the Bond Registrar, given upon the direction of this Council through a resolution or an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Extraordinary Optional Redemption. Bonds that are issued and sold as Direct Payment BABs may be subject to extraordinary optional redemption, by and at the sole option of the City, in whole or in part (in whole multiples of \$5,000), following the occurrence of the events, on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, specified by the Fiscal Officer in the Final Terms Certificate; provided that the redemption price for any such

extraordinary optional redemption shall not be greater than 110%, unless otherwise approved by Council.

Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Fiscal Officer to the Bond Registrar, given upon the direction of this Council by the passage of an Ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iv) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption or extraordinary optional redemption at one time and Bonds of more than one maturity (or Tax Status or interest rate within a maturity) are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates and Tax Status or Tax Statuses selected by the City. If fewer than all of the Bonds of a single maturity and Tax Status and interest rate within that maturity are to be redeemed, the selection of Bonds of that maturity, interest rate and Tax Status to be redeemed, or portions thereof in amounts of \$5,000 or any integral multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmaturing and unredeemed portion of, and bearing interest at the same rate and maturing on the same date and having the same Tax Status as, the Bond surrendered.

(v) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the fifteenth day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond. Notice of extraordinary optional redemption may be rescinded upon written notice to the registered owner of each Bond subject to such redemption that the conditions requiring or permitting such redemption no longer exist. Such notice of rescission shall be given in the same manner as the notice of redemption at least one day prior to the date fixed for such redemption.

(vi) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Section 7, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond

Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

SECTION 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Fiscal Officer, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Fiscal Officer, shall be numbered as determined by the Fiscal Officer in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code and this Ordinance.

The Huntington National Bank is hereby appointed as the initial Bond Registrar. The Mayor and the Fiscal Officer shall sign and deliver, in the name and on behalf of the City, the Bond Registrar Agreement between the City and the Bond Registrar, in substantially the form as is now on file with the Clerk of Council. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Fiscal Officer on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

SECTION 5. Registration; Transfer and Exchange; Book Entry System.

(a) **Bond Registrar.** So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office satisfactory to the Fiscal Officer and the Bond Registrar. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy

form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Fiscal Officer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with a book entry system for the Bonds.

SECTION 6. Sale of the Bonds.

(a) To the Original Purchaser. The Bonds are sold at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof (provided that the purchase price of the Direct Payment BABs shall be not less than 98%), as shall be determined by the Fiscal Officer in the Final Terms Certificate, plus accrued interest on the Bonds from their date to the Closing Date, and shall be awarded by the Fiscal Officer with and upon such other terms as are required or authorized by this Ordinance to be specified in the Final Terms Certificate, in accordance with law, the provisions of this Ordinance and the Bond Purchase Agreement. The Fiscal Officer is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other voted bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Final Terms Certificate may be utilized for the consolidated voted bond issue if appropriate and consistent with the terms of this Ordinance.

The Fiscal Officer shall sign and deliver the Final Terms Certificate and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Fiscal Officer, Director of Law, Clerk of Council and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

If so requested by the Original Purchaser, the Mayor and the Fiscal Officer shall sign and deliver, in the name and on behalf of the City, the Bond Purchase Agreement between the City and the Original Purchaser, in substantially the form as is now on file with the Clerk of Council, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Bond Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Fiscal Officer on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments thereto.

(b) Primary Offering Disclosure – Official Statement. The Mayor and the Fiscal Officer, on behalf of the City and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City or is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that official statement and any supplements thereto in connection with the original issuance of the Bonds and (iv) complete and sign that official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. If determined to be applicable by Bond Counsel, for the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees, as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner, as may be required for purposes of the Rule. The agreement formed, collectively, by the Bonds, this paragraph and that Certificate, shall be the City's continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it.

(d) Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Fiscal Officer, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the Fiscal Officer is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent paid by the Original Purchaser, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. The Fiscal Officer is hereby authorized, to the extent necessary or required, to enter into any agreements, in the name of and on behalf of the City, that the Fiscal Officer determines to be necessary in connection with the obtaining of that bond insurance.

The expenditure of the amounts necessary to secure those ratings and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser, is authorized and approved, and the Fiscal Officer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

(e) Separate Sale for Bonds of Different Tax Status. If, in the judgment of the Fiscal Officer, it is in the best interest of and financially advantageous to the City to sell a portion of the Bonds separately from another portion of the Bonds, the Fiscal Officer may provide for such separate sales and the provisions of this Ordinance shall apply to each such sale and designation, and references to "Bond Purchase Agreement", "Bond Register", "Bond Registrar", "Bond Registrar Agreement", "Closing Date", "Continuing Disclosure Certificate", "Final Terms Certificate", and "Original Purchaser" shall include the Bond Purchase Agreement, Bond Register, Bond Registrar, Bond Registrar Agreement, Closing Date, Continuing Disclosure Certificate, Final Terms Certificate and Original Purchaser for the Bonds sold separately pursuant to this subsection (e).

SECTION 7. Application of Proceeds. The proceeds from the sale of the Bonds (except any premium and accrued interest) shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. Any proceeds to be used for the payment of any expenses properly allocable to the issuance of the Bonds, as determined by the Fiscal Officer, shall be paid into the proper fund or funds. Any proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

SECTION 8. Provisions for Tax Levy. During the year or years in which the Bonds are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution.
