Swimming Pool Filling Policy:

CONSTRUCTION WATER

1. Persons wishing to have pool filled must contact Permits via Pool Co. and obtain a Permit (This should also include a deposit to be refunded at completion of job)
2. Permit is issued to Pool Co. and filling is scheduled.
3. City is to provide filling assembly and ready fire hydrant for Pool Co. (EXCLUDING HOSES)
4. Pool Co. is to operate the filling valve ONLY and monitor the filling process and check on hoses that they provided.
5. Upon completion of filling, the Pool Co. is to notify the City IMMEDIATELY as to have only our personnel shut down the fire hydrant and to disconnect the meter and backflow device from the fire hydrant. (SAME DAY)
6. Once the assembly is removed by our crew, the permit will be noted as such and refund of deposit will then be available at the Permits Office.
