**CITY OF NORTH CANTON**  
**Michael J. Grimes**  
Director of Administration

This notice is to advise an opening exists in the City of North Canton Drinking Water Plant for the following full time position:

**Water Plant Service Worker II to Service Worker III** (will depend on qualifications and experience) \$21.26 to \$22.63 per hour

If you are qualified, a formal request should be made to the Office of the Director of Administration within the time limit shown on this posting. The position will also be posted concurrently for both internal and outside resumes. The final decision on hiring rests with the Mayor.

**The deadline for making application is Wednesday, July 2, 2014 by 4:00 p.m.**

This position will be under the direct daily supervision of the Water Plant Operations Manager who reports to the Water Plant Superintendent.

Types of daily activity include, but are not limited to the following: Check all machines and pumps for noise, vibration or leaks. Check and complete minor repairs on water plant equipment, traffic signal lights, able to climb chemical silos, work in air to replace decorative street lighting and other high areas in city buildings, plow snow when needed, report after hours for emergencies, assist with electrical repairs to include working around 480 volt 3 phase equipment, mowing, assist in rebuilding pumps, changing bulbs, working in confined space in sludge pits and underground tanks for cleaning and maintenance. Previous experience and certifications a plus. At minimum a Temporary CDL is necessary within the first 60 days of hiring. Must obtain a Class A CDL within a reasonable amount of time determined by the Director of Administration.
