UPDATE – TIME CHANGE FOR NORTH CANTON TRICK OR TREAT ANNOUNCEMENT

The City of North Canton will have **Saturday, October 31st, 2015** as “**TRICK OR TREAT**” in the City of North Canton. However, the time has been changed to **5:00 pm to 7:00 pm** to coincide with the recent announced Stark County event time. The City of North Canton traditionally holds Trick or Treat on the same date and time as Stark County.

City residents that wish to participate should leave their porch light on during those hours.

Motorists are reminded to drive extra cautiously in our neighborhoods during the time the “beggars” are out for this event.
