Dear Resident:

During the last year, the City's Council and Administration have attempted to maintain services while addressing the lost revenue from Hoover's closure. The city is spending less on capital purchases and employing a smaller staff. Despite efforts, more difficult choices may be ahead. By completing the questionnaire, you will help guide City Hall with its decision making.

If the city can mow its parks at less cost by using non city employees, is that acceptable?  
If you needed a building permit, would you be willing to drive to Canton to secure it?

If the Civic Center loses \$100,000 per year and 90% of the rentals are to non-residents, should the city:

- Sell it
- Convert it to another municipal use
- Lease it to a third party
- Absorb the loss and continue as is

If the city can repair catch basins and perform basic street maintenance at lower cost with non city employees, is that acceptable?

Currently the city operates its own emergency dispatch center (911). On a per call basis, the service is expensive but may offer value to residents. An option is to join a county wide system. Would you be willing to pay \$50 per year to preserve North Canton's stand alone system?

Currently, the city does not assess for street repaving (there is a small street repaving levy).

Would you be willing to pay a small assessment to defray costs when your street is repaved?    Yes                      No

In 2008-09, high costs and environmental concerns led the city to use less road salt for ice control. Was the ice control program acceptable?

Yes                      No

There is much discussion of regionalization as a method of saving tax dollars. If service levels can be maintained, would support a regional approach for:

|----------|-----|----|
| Police   | Yes | No |
| Fire EMS | Yes | No |
| Dispatch | Yes | No |

Currently the city has a balanced budget. However, if the city cannot restrain future costs and replace the lost Hoover jobs, voters may be asked to fund a variety of individual municipal services.

2 Mil will cost \$92.00 per year for a home with a market value of \$150,000.  
.5 Mil will cost \$23.00 per year for a home with a market value of \$150,000

Would you vote for a 2 mil fire/EMS levy?    Y    N

Would you vote for a 2 mil levy to preserve a stand- alone police fire dispatch center?    Y    N

Would you vote for a .5 mil street improvement levy to be used exclusively on residential streets?    Y    N

Would you vote for a .5 mil park levy to maintain parks and to operate the civic center?    Y    N

If the city can secure grant money would you favor a bikeway linking the city to the strip and Belden Village Mall?    Yes                      No

RE: Settlement of Fire Union Wage Re-opener Issue

Please place the following legislative request on the Committee of the Whole agenda for Monday, April 20, 2009. This request is for approval of the attached Memorandum of Understanding which settles the wage re-opener dispute with the Fire Union. The Union gets a 2% wage increase, retroactive back the August 1, 2008, pay period. This is the same as the Police Patrol Union. The Union agrees to dismiss the litigation that is currently pending over this issue.

# MEMORANDUM OF UNDERSTANDING

## I. Purpose

This agreement is entered into between the City of North Canton, "City," and The North Canton Professional Firefighter and Paramedic Association - IAFF Local 3489, "Union." It is to resolve a dispute over Appendix D of the Collective Bargaining Agreement in effect from August 1, 2006 to July 31, 2009. Appendix D indicates that the General Wage Increase of three percent (3%) for August 1, 2008 to July 31, 2009, is subject to further negotiation if certain conditions were met. The City is of the opinion that the conditions have been met, the Union holds the opposite opinion. Litigation has been instituted and is pending.

## II. Resolution

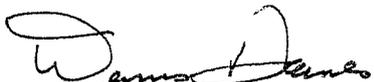

In order to end the litigation and resolve the wage dispute the City agrees to institute a two percent (2%) General Wage Increase for the final year of the contract from August 1, 2008 to July 31, 2009. The Union accepts this General Wage Increase as full and final settlement of the pending litigation in Court of Appeals Case No. 2009CA00026. The two percent (2%) General Wage Increase will be retroactive back to the pay period which includes August 1, 2008.

## III. Dismissal of Litigation

The Union agrees to dismiss the pending appeal in Case No. 2009CA00026 with prejudice.

Agreed to by the Parties this 13<sup>TH</sup>, day of April 2009.

RE: Create the Part-Time Position of Technical Aide

Please place the following legislative request on the Committee of the Whole agenda for Monday, April 20, 2009. This request is to amend the Part-Time Ordinance in order to create the position of Technical Aide at the rate of pay of \$10.00 per hour. The initial proposed use for this position is in the Engineering Department. There are a large number of plan and design documents that must be scanned into the computer data base. This is not a request for additional funds. The person hired to scan these documents will be paid out of the existing Engineering Department part-time payroll budget.

Section 2.

That this ordinance is hereby declared to be an emergency measure necessary for the preservation of the health, safety, and peace of the City of North Canton and further necessary for the timely establishment of the position of Technical Aide and to ensure the continued efficient operation of the Engineering Department; wherefore, this ordinance shall take effect and be in full force immediately upon its adoption by Council and approval by the Mayor.

An ordinance amending PART NINE – STREETS, UTILITIES AND PUBLIC SERVICES CODE of the Codified Ordinances of the City of North Canton by the addition under TITLE ONE – STREET AND SIDEWALK AREAS of a Sidewalk Policy.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORTH CANTON, COUNTY OF STARK, STATE OF OHIO:

Section 1. That PART NINE – STREETS, UTILITIES AND PUBLIC SERVICES CODE of the Codified Ordinances of the City of North Canton by the addition under TITLE ONE – STREET AND SIDEWALK AREAS, be, and the same is hereby amended to include a Sidewalk Policy.

Section 2. The City may cause sidewalks to be installed on any city street, as funds are available, if the street meets any two (2) of the following three (3) criteria (A)(B)(C):

A. A school, school facility, governmental recreation area or governmental athletic facility is located on the street; or

B. The street has a vehicular traffic count like other similarly situated connector streets as evidenced in the most recent Stark County Area Transportation Study. In lieu of a SCAT study a written safety recommendation in favor of sidewalk installation from either the Chief of Police or Chief of Fire may be substituted; or

C. The street is within the current no transport zone of the school;

Section 3. If the street meets any two (2) of the above three (3) criteria, the City may initiate construction of the sidewalk at its own cost. The City will cause the property to be staked so the property owners would be aware of the exact placement of the sidewalks.

Section 4. **EXISTING SIDEWALKS.** A property owner may petition the City of North Canton to replace the property owner's substandard sidewalks and driveway approaches with costs being shared equally by the property owner(s) and the City when subsections (a) or (b) below are met:

A. At least fifty (50) percent of the property owners living in a city block, as defined by the City Engineer, petition the City to repair substandard sidewalks; or

B. At least forty (40) percent of the property owners living within a three (3) block radius, as defined by the City Engineer, petition the City to repair substandard sidewalks.

Section 5. **NEW SIDEWALKS.** A property owner may petition the City of North Canton for the installation of new sidewalks and driveway approaches with costs being shared equally by the property owner(s) and the City when 100% of the property owners on one side of the street within a city block, as defined by the City Engineer, petition the City to install new sidewalks.

- Section 6. Participation in Section 4 and Section 5 is voluntary and is limited to residential properties. The property must be located on an improved street (i.e., must have curbs) and the total lineage of the improvements must exceed a minimum of 500 lineal feet for all participating property owners combined.
- Section 7. To qualify, a residential property owner living within the area designated in Sections (4) (a) or (4) (b) or Section 5 must sign an agreement to pay for an equal share of the costs, excluding engineering and survey expenses. When the participatory minimums have been met, the City may construct the necessary improvements.
- Section 8. Property owners must contact the Director of Administration to request a participation agreement. A City representative, as determined by the Administration, will visit the site, speak with the property owner(s), if available, and determine which items of work are needed. The estimate may provide for replacement or installation of the sidewalk, driveway apron, the curb adjacent to the apron, retaining wall (along right of way), roof drain pipe, and tree removal. **The City will cause the property to be staked so the property owners would be aware of the exact placement of the sidewalks.**
- Section 9. Any tree on private property that must be removed to accomplish the work will be removed at the owner's expense. These costs will be provided in the estimate with the petition. Sidewalk slabs that are lifted by tree roots but are otherwise undamaged are considered defective, and need to be replaced. If it is determined that cutting the roots will kill the tree, the tree will be removed at the time of construction.
- Section 10. The property owner(s) must accept the City's work order in its entirety. The City will provide the property owner(s) with a preliminary cost estimate. If the property owner chooses to have the City do the work, the owner(s) must sign the agreement and return it to the City. When sufficient numbers of signed agreements have been accepted by the City, the City will invoice the participating property owners. Before construction begins, the property owner(s) shall remit funds in full to the City. Improvements will only be made on those properties for which payment has been received. Construction will begin as soon as practicable.
- Section 11. That this ordinance shall take effect and be in full force from and after the earliest period allowed by law.

RE: Real Estate Acquisition Notes

The \$900,000 in Real Estate Acquisition Notes issued last year are due to mature on June 25<sup>th</sup>. I am requesting that Council authorize legislation issuing replacement notes. I have anticipated a \$100,000 pay down in the 2009 budget, therefore, the new notes would be for \$800,000. As in the past, I would like to have the option of the City purchasing these notes as an investment or selling them on the open market. Please note that these are taxable notes (rather than tax-exempt) due to the property being leased by the Fairways, a "for-profit" operation. Because they are taxable, the interest rate will be higher than a tax exempt issue. I am in the process of obtaining an estimated interest rate. Squire, Sanders & Dempsey will prepare the legislation which will include an emergency clause in order to have enough time to issue the new notes before the old notes mature.

Respectfully submitted,

Alexander A. Zumbar

COUNCIL OFFICE  
NORTH CANTON, OHIO

ORDINANCE NO. \_\_-09

An ordinance providing for the issuance and sale of \$800,000 notes, in anticipation of the issuance of bonds, for the purpose of paying a portion of the costs of acquiring the premises known as Arrowhead Country Club, located at 1500 Rogwin Circle SW in the City of North Canton, Ohio, and declaring an emergency.

WHEREAS, pursuant to Ordinance No. 44-08, passed May 12, 2008, notes in the aggregate principal amount of \$900,000 dated as of June 25, 2008 (the Outstanding Notes), were issued for the purpose stated in Section 1 thereof, to mature on June 25, 2009; and

WHEREAS, this Council finds and determines that it is necessary to issue the Notes authorized in this ordinance to retire the Outstanding Notes; and

WHEREAS, the Director of Finance as fiscal officer of this City has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the bonds described in Section 1 is 28 years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the bonds, is 240 months from July 2, 2003;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF NORTH CANTON, COUNTY OF STARK, STATE OF OHIO, THAT:

- Section 1. It is necessary to issue bonds of this City in the aggregate principal amount of \$800,000 (the Bonds) for the purpose of paying a portion of the costs of acquiring the premises known as Arrowhead Country Club, located at 1500 Rogwin Circle SW in the City of North Canton, Ohio.
- Section 2. The Bonds shall be dated approximately June 1, 2010, shall bear interest at the now estimated rate of 7.00% per year, payable semiannually on each June 1 and December 1 until the principal amount is paid; and are estimated to mature in 28 annual principal installments on December 1 of each year that are substantially equal. The first principal payment of the Bonds is estimated to be December 1, 2010.
- Section 3. It is necessary to issue and this Council determines that notes in the aggregate principal amount of \$800,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire the Outstanding Notes. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance, provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is up to seven days less than one year from the date of issuance by setting forth that maturity date in the Certificate of Award. The Notes shall bear interest at a rate or rates not to exceed 6.50% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. The rate or rates of interest on the Notes shall be determined by the Director of

Finance in the certificate awarding the Notes (the Certificate of Award) in accordance with Section 6.

Section 4. The debt charges on the Notes shall be payable in lawful money of the United States of America, or in Federal Reserve funds of the United States of America as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the office of the Director of Finance or at the designated office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose (the Paying Agent).

Section 5. The Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the Original Purchaser (as defined in Section 6) and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this section and this ordinance:

"Book entry form" or "book entry system" means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes "immobilized" in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6. The Notes shall be offered to the Director of Finance as the officer in charge of the investments of the City, for purchase at a price not less than par, in accordance with law and the provisions of this Ordinance. Any Notes not purchased as investments of the City shall be sold by the Director of Finance at private sale at a price not less than par, in accordance with law and the provisions of this Ordinance. In accordance with his determination of the best interest of the City, the Director of Finance shall sign the Certificate of Award referred to in Section 3 to establish and specify the interest rate the Notes are to bear and other final terms of the Notes in accordance with the provisions of this Ordinance and to evidence the sale of the Notes to the original purchaser. The Director of Finance shall cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original

purchasers, to the original purchasers upon payment of the purchase price. The Mayor, the Director of Law, the Director of Finance, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

- Section 7. The City does not intend or represent that the interest on the Note will be excluded from gross income for federal income tax purposes under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the City is not and shall not be obligated to take any action to attempt to secure or maintain any such exclusion.
- Section 8. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.
- Section 9. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.
- Section 10. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.
- Section 11. The Clerk of Council is directed to deliver a certified copy of this Ordinance to the County Auditor of Stark County.
- Section 12. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the

Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 13. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or committees, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 14. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the City, and for the further reason that this Ordinance is required to be immediately effective so that the Notes can be sold at an early date to enable the City to retire the Outstanding Notes and thereby preserve its credit; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

## FISCAL OFFICER'S CERTIFICATE

To the Council of the City of North Canton, Ohio:

As fiscal officer of the City of North Canton, Ohio, I certify in connection with your proposed issue of \$800,000 notes (the Notes), to be issued in anticipation of the issuance of bonds (the Bonds) for the purpose of paying a portion of the costs of acquiring the premises known as Arrowhead Country Club, located at 1500 Rogwin Circle SW in the City of North Canton, Ohio (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.
2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is 30 years, being my estimate of the life or period of usefulness of that improvement. If notes in anticipation of the Bonds are outstanding later than the last day of December of the fifth year following the year of issuance of the original issue of notes, the period in excess of those five years shall be deducted from that maximum maturity of the Bonds, therefore, the maximum maturity of the Bonds is 28 years.
3. The maximum maturity of the Notes is 240 months from July 2, 2003.

**RE: Request To Council for D.A.R.E. Grant Resolution**

I am requesting that City Council be asked for a Resolution to permit the police department to apply for a grant from the Ohio Attorney General's Office, to enter into a contract with the Ohio Attorney General's Office, and to utilize the funds granted.

The grant is provided through the Ohio Attorney General's Office using money accrued through driver license reinstatement fees and the sale of impounded vehicles. The money is then used to provide funds to local police departments, specifically to help with the salary of the certified active D.A.R.E. instructor(s). The grant could cover up to 50% of the salary for the time the officer is actually teaching D.A.R.E. in the schools.

If received, the grant would cover any D.A.R.E. instruction from August 1, 2009 through June 2010. Council has passed Resolutions and the police department has applied for and received money in past years utilizing this grant.

Due to time constraints in the grant application process this Resolution is requested on an emergency basis after the third reading.

Respectfully Submitted,

Michael J. Grimes  
Chief of Police

RE: Request To Council for Resolution for Ohio Drug Use Prevention  
Special Grant

I am requesting that City Council be asked for a Resolution to permit the police department to apply for a grant from the Ohio Attorney General's Office, to enter into a contract with the Ohio Attorney General's Office, and to utilize the funds granted.

The grant is provided through the Ohio Attorney General's Office using money accrued through accumulated monies from the D.A.R.E. fund. This is a special one-time grant that is being utilized to assist with drug prevention in schools provided by trained School Resource Officers (S.R.O). This grant is named the Ohio Drug Use Prevention Special Grant.

The money is used to provide funds to local police departments, specifically to help with the salary of the certified active S.R.O. officer. If received, the grant could cover up to 50% of the salary for the time the officer is actually in the schools handling drug prevention duties. Our S.R.O. is at our schools on a part-time basis as he splits time there with normal patrol duties. If the grant is awarded I project our reimbursement to be approximately \$5000.

Due to time constraints in the grant application process this Resolution is requested on an emergency basis.

Respectfully Submitted,

Michael J. Grimes  
Chief of Police
