Subject: Rate Hike for Water & Sewer

Contacts: GAIL KALPAC

My suggestion on the date for the rate hikes would be the May 1st bill. The reason is, that in January and/or February we may estimate customers due to the weather.

When there is a rate hike, the estimate and the actual read are calculated at the new rate, which it should not. I then have to go into each individual account and calculate the usage on the old rate and the usage on the new rate and adjust each customer that had an estimated bill.

The May 1st bill are the read dates from March to April.

If you do change, please note that in the Ordinance, that it's the May billing period, not the read date.

If you have any questions please see me and I will show you the paper work on the breakdown of the bills.

Thank you

Legislation Request

To: Jon Snyder, Council President
Date: December 6, 2011
Subject: Legislation To Permit Acceptance of Grant & Matching Amount

The Fire Department has applied for a \$160,000.00 federal grant to replace four (4) aging Life Pak Defibrillators used on our emergency response ambulances.

The total cost would be \$160,600.00 for the defibrillators. FEMA would give us a grant for \$152,570.00 and the City would be required to pay a match amount of \$8,030.00.

Fire Chief Bacon has been notified that three (3) of the four (4) grant conditions have been successfully completed and it's expected that the final and fourth condition will be approved soon.

After receiving notification of the grant approval, the Fire Department will be required to produce documentation that the legislative body of the City has approved accepting the grant and has authorized the required 5% matching funds. I am requesting this approval in advance to make sure we can meet any required deadlines for filing proof and acceptance of the grant.

Subject: Fire Department FEMA Grant Request

Dear Mr. Grimes,

The North Canton Fire Department has submitted a request for funds pursuant to monies available from the Federal Emergency Management Agency's assistance to firefighters grant program to purchase four (4) new 'Life Pak Defibrillators.

This piece of equipment is used to monitor heart rate and provide shock stimulation in the case of a heart attack. The current four (4) Defibrillators are coming to the end of their technology phase, because of age.

The total of the request is \$152,570.00 of which the City would match \$8,030.00 if successful; we will accomplish a much-needed upgrade to the Fire/EMS equipment at a fraction of the total cost.

This grant was given initial approval by FEMA, and I request you to please have Council pass an ordinance so we can accept the grant if given final approval.

If you have any questions regarding the above, please contact the undersigned.

Summary as Follows:

Grant total _____	\$160,600.00
FEMA Share _____	\$152,570.00
City of North Canton Share ___	\$8,030.00 (5% of the total)

Sincerely,

John Bacon, Chief

North Canton Fire Department
