BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORTH CANTON, COUNTY OF STARK, STATE OF OHIO:

Section 1. That PART 17 – HOUSING CODE of the Codified Ordinances of the City of North Canton, be, and the same is hereby amended to read as follows:

**Chapter 1705. UNSAFE BUILDINGS**

**1705.01 BUILDING OR STRUCTURE CONSTITUTING PUBLIC NUISANCES.**

The phrase “buildings or structures constituting public nuisances” as used in this Chapter shall mean buildings or other structures which are unsafe, insecure, structurally defective, unstable or unsanitary; those buildings and structures which are inadequately provided with exit facilities; those buildings and structures which constitute a fire hazard; those buildings or structures unsuitable or improper for the use or occupancy to which they are put; those buildings or structures which constitute a hazard to health or safety because of inadequate maintenance, dilapidation or damage by fire or other cause; those buildings and structures which are obsolescent, abandoned, or contain inadequate or unsafe equipment or are otherwise dangerous to life and property; those buildings or structures which for any of the foregoing reasons or by reason of continued vacancy thereby resulting in lack of reasonable or adequate maintenance of structure or grounds are causing deterioration and a blighting influence on nearby properties and thereby depreciating the enjoyment and use of the property in the immediate vicinity to such an extent that it is harmful to the community in which such structure is situated.

**1705.02 INSPECTION; WRITTEN REPORT**

Upon receipt of information that a building or other structure constitutes a public nuisance for any one or more of the reasons set forth herein, the Superintendent of Permits and Inspections, shall cause to be made an inspection thereof. If after said inspection it is found that said building or structure constitutes a public nuisance for any one or more of the reasons herein contained, he shall cause to be filed a detailed written report of the

condition in the office of the Mayor which shall be a matter of public record and he shall cause a written notice thereof to be served as hereinafter provided.

**1705.03 NOTICE ORDERING ABATEMENT; CONTENT OF NOTICE; SERVICE OF NOTICE**

(A) Whenever the Superintendent of Permits and Inspections finds any building or structure or portion thereof to be a public nuisance for any one or more of the reasons set forth herein, the Superintendent of Permits and Inspections shall give written notice to the owner or owners of record or holders of legal or equitable liens on the premises. The notice shall be written and specifically state the defects that cause the building to be unsafe and shall require the owner within a stated time to either complete the specified repairs or improvements or to demolish and remove the building or structure or portion thereof, leaving the premises in a clean, safe and sanitary condition being subject to the approval of the Superintendent of Permits and Inspections.

(B) Proper service of the notice set forth in 1705.03(A) shall be made by personal service, residence service or by certified mail; provided, however, that such notice shall be deemed to be properly served if a copy thereof is sent by certified mail to the owner's last known address. If a party cannot be located, nor his address ascertained, this notice shall be deemed to be properly served if a copy thereof is placed in a conspicuous place in or about the building or structure affected by such notice and further, a copy of this notice shall be published in a newspaper of general circulation in this county for a period of three consecutive days. If such notice is by certified mail, the time period within which the owner is required to comply with the notice of the Superintendent of Permits and Inspections shall begin as of the date he receives such notice.

(C) No action to demolish any structure or building shall be commenced sooner than thirty (30) days after the service of the notice described in Section (B) or thirty (30) days of the last date of publication of the notice.

(D) Within thirty (30) days of the receipt of the notice or last date of publication, the owners or holders of any legal or equitable liens of record may enter an agreement with the City to repair or demolish the structure or building provided that all agreements to repair or demolish shall be full performed within sixty (60) days or the agreement shall be void and the City may proceed as described below.

#### **1705.04 RIGHT TO APPEAL**

The owner or holder of any legal or equitable lien of record or agents thereof shall have the right to appeal from the notice and decision of the Superintendent of Permits and Inspections by a written notice of appeal to the Superintendent of Permits and Inspections within thirty (30) days of the receipt of the notice or last day of publication. The appeal shall be heard at a meeting of Zoning and Building Standards Board of Appeals not less than seven (7) nor more than twenty-one (21) days after the notice of appeal is received and shall be limited to a determination of whether the structure or building in question constitutes a nuisance for one or more of the reasons herein described or whether a proposed agreement to repair the structure or building rejected by the Superintendent of permits and inspections should be approved. At the hearing, the petitioner shall be given the opportunity to be heard and present evidence as to why the notice should be modified or withdrawn. The Zoning and Building Standards Board of Appeals shall then affirm, modify or reverse the decision of the Superintendent of Permits and Inspections at the end of the hearing. The petitioner shall have the right to appeal the decision of the Zoning and Building Standards Board of Appeals to the Stark County Court of Common Pleas within twenty-one (21) days after the decision of the Zoning and Building Standards Board of Appeals.

#### **1705.05 POSTING OF SIGNS**

The Superintendent of Permits and Inspections shall cause to be posed at each entrance to any building or structure found to be a nuisance for any one or more reasons set forth herein a notice to read:

**"THIS BUILDING IS UNFIT FOR OCCUPANCY AND ITS USE HAS BEEN PROHIBITED"**

Such notice shall remain posted until the required repairs are made or demolition is completed. No person shall remove such notice without permission of the Superintendent of Permits and Inspections, or enter the building or structure, except for the purposes of making the required repairs or of demolishing same.

#### **1705.06 FAILURE TO COMPLY WITH NOTICE**

If the persons served with a notice to repair or demolish and remove such building, structure or portion thereof which has been determined to be a

public nuisance for one or more reasons set forth herein should fail within the time stated in said notice, such party shall be subject to the penal provisions of this Chapter and the Superintendent of Permits and Inspections shall proceed to have the building or structure or portion thereof, repaired or demolished and removed from the premises, leaving the premises in a clean, safe and sanitary condition and the cost of such work shall be paid by the City. If the City is not immediately reimbursed for such costs, the amount thereof shall be certified to the County Treasurer and levied as a special assessment against the property on which the building or structure is located and shall be collected in such a manner provided for special assessments. Such certification shall not, however, preclude other methods of recovery of such cost as may be authorized by general law.

**1705.07 PENALTY**

Whoever violates any provision of this Chapter or any notice by an enforcing official made pursuant to this Chapter is guilty of a minor misdemeanor upon the first offense and a misdemeanor of the fourth degree upon each subsequent offense. Each day of a continuing violation shall be deemed a separate offense.

Section 2. That this ordinance shall take effect and be in full force from and after the earliest period allowed by law.
