Re: Liquor Permit
Washington Square Restaurant 11 Inc.; 2175 East Maple Street, N. Canton
B NEW 9421535

Attached please find a copy of the "Notice to Legislative Authority" re the above mentioned liquor permit.

Ohio Revised Code Section 4303.26(A) provides the legislative authority with the right to object to a permit and to request a hearing before the Ohio Division of Liquor Control. Said objections must be postmarked by March 11, 2013 and must be done by a Resolution of Council.

Note that the residents have voted in favor of issuing a liquor permit to 2175 East Maple Street (the proposed location of The Winking Lizard Restaurant in Washington Square).

If Council has no objections to this permit, minutes indicating that there are no objections are all that is necessary.

- (3) The contractor shall do the road opening and road repair on all taps and is responsible for all digging and backfilling on taps.
- (4) The City shall provide one tap or tapping sleeve, whichever it deems appropriate, per water service. The contractor shall be responsible for the cost of all material and labor and other costs associated with water service from the water main to the meter.

Section 2. That Chapter 935 Water Lines and Hydrants of the Codified Ordinances of the City of North Canton, specifically Section 935.07(b) USE OF WATER FROM FIRE HYDRANTS, be, and the same is hereby amended to read as follows:

Section 935.07(b) USE OF WATER FROM FIRE HYDRANTS

(a) No person except an authorized agent of the Water Department or the North Canton Fire Department or a person with a special permit issued by the Director of Administration shall disturb or tamper with any fire hydrant or any part thereof or take any water from hydrants under any circumstances. This section applies to all hydrants connected to the North Canton water supply system.

(b) Whoever wishes to use water from a fire hydrant connected to the North Canton water supply system shall apply to the Director of Administration for written permission to use water. Water must be used under the supervision of a member of the Water Department after a meter and a backflow preventer are attached to the hydrant.

Section 3. That if a provision of this ordinance is or becomes illegal, invalid or unenforceable, that shall not affect the validity or enforceability of any other provision of this ordinance.

Council Agenda Item Request

To: Jon Snyder, Council President
Date: February 14, 2013
Subject: Request Discussion Regarding Ohio House Bill 601

Mayor David Held is requesting an Agenda item for Council discussion regarding Ohio House Bill 601 and is seeking a resolution from Council opposing this proposed legislation.

The Mayor believes that Ohio House bill 601 will infringe on the right of home rule, infringe on the right of municipalities regarding their tax ordinances and potentially would cause revenue loss to the City.

Respectfully Submitted,

Mayor David J. Held
City of N Canton
145 N Main St
North Canton, OH 44720

Dear Mayor Held,

As you know, local governments in Ohio have suffered severe losses in the last two years due to the elimination of one-half of the Local Government Fund support, CAT reimbursement and estate tax revenue. These actions by the state have forced many of our local governments to make severe cuts in services and/or seek increases in taxes to replace what has been lost.

In light of the State's actions, it is surprising that yet another bill was introduced in the Ohio House in 2012 which would further erode local government revenue - House Bill 601. Among other things, this bill would:

- extend the period for carrying forward net operating losses as a credit against local taxes to five years,
- eliminate tax obligations for residents who live out of state for just 183 days per year but spend the remainder of their time in Ohio,
- establish a longer period of twenty (20) days for individuals working in the community before their revenue can be taxed,
- eliminate the right of municipalities to tax certain internet sales,
- be a further attack on home rule, taking away the right of local governments to interpret local tax ordinances,
- require the repeal and re-enactment of all local tax legislation.

While the bill was introduced as a "tax uniformity" measure, the Ohio Legislative Service Commission states that:

LSC economists believe that, on balance the bill will probably decrease statewide revenues to municipalities...revenue losses to municipalities are undetermined; however they may be significant, potentially totaling millions of dollars annually.

The Ohio Municipal League has strongly opposed this legislation noting that

...areas of massive revenue loss are now part of HB601 but without any consideration to protecting local revenues. These include forcing an unfunded mandate on over 200 municipalities...For a number of our municipalities the loss of revenue will reach into the millions of dollars if this legislation were to be enacted.

A new version of HB601 is certain to be introduced in the current session of the legislature. The undersigned, together with many other mayors and local government managers and City Council members, are actively working to persuade the legislature to eliminate provisions in the bill which further deprive local governments of revenue. We do support measures to increase uniformity without loss of revenue and without greater erosion of home rule.

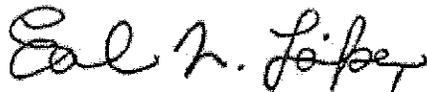

We are asking that you join us in our efforts by returning the enclosed return letter and advising us that you will:

- 1) Meet with your state representative and senator to urge opposition to this legislation.
- 2) Be a signatory to a letter signed by mayors and managers state-wide in opposition to the legislation.
- 3) Meet with your local newspaper editorial board and express the reasons for opposing the legislation
- 4) Participate in a press conference or press conferences announcing the opposition of local government leadership to this bill.
- 5) Ask your City Council to adopt a resolution opposing this legislation.

Please join us at our next meeting on Wednesday, February 6, 2013 at 9:30 AM (prior to the Ohio Municipal League Luncheon) at the Trinity Lutheran Seminary at 2199 E. Main Street in Bexley, Ohio. Please RSVP to Jennifer Kuzma at jkuzma@clvhts.com. Further information can be found online at www.ohmuniadvocates.com as this effort progresses.

Thank you for your attention to the above and we look forward to hearing from you.

Re: Resolution of Support
Canton Museum of Art GeoArt Program

We are requesting \$5,000 from the recycling grant money be allocated for use in interactive development of the children within the North Canton School system and continuing use of the arts for the citizens of North Canton.

As in the past, by voice vote, Council can agree to send a signed Resolution of Support acknowledging the City's participation in the Canton Museum of Art GeoArt Program and to fund it through recycling (non-municipal) funds.

Should you have any questions, please do not hesitate to contact me.

Resolution of Support

A Resolution expressing the support of the City Council of the City of North Canton for the Canton Museum of Art GeoArt Program.

WHEREAS, the Canton Museum of Art has proposed a GeoArt Program as a youth activity; and

WHEREAS, math and geometry teachers find that the projects tie in with curriculum requirements, recycling ideas and reinforce classroom instruction; and

WHEREAS, the GeoArt Program uses materials that are between 45% and 100% recycled material; and

WHEREAS, one of the component parts for the City to continue receiving Solid Waste District recycling grants is to have an educational component in the use of recycled product and recycling; and

WHEREAS, the GeoArt program meets said Solid Waste District educational component requirement; and

WHEREAS, the City Council desires to establish said program and believes it will benefit the residents.

NOW, THEREFORE, BE IT RESOLVED by the City of North Canton, County of Stark, State of Ohio that:

Section 1. The City Council of the City of North Canton, Ohio supports the Canton Museum of Art's GeoArt Program.
