RECEIPT

The original of this Notice of Filing of Annexation Petition and date of public hearing was received for filing by the Clerk of Council, of the City of North Canton, Stark County, Ohio, this 24th day of January, 2013.

Paul M. Galpas

An ordinance stating the municipal services that will be provided to a 1.549 acre of parcel land, more or less (the "Territory"), being part of the Northeast Quarter of Section 16, Township 11 (Plain Township), Range 8, Stark County, Ohio, in the event said Territory is annexed to the City of North Canton, and declaring the same to be an emergency.

WHEREAS, the owner of 1.549 acres of land, more or less, being part of the Northeast Quarter of Section 16, Township 11, Range 8, Stark County, Ohio, through its agent, Christopher J. Goldthorpe, has filed a petition with the Board of County Commissioners of Stark County for annexation of said Territory to the City of North Canton; and,

WHEREAS, the Board of County Commissioners of Stark County has scheduled a hearing on the matter for April 9, 2013; and,

WHEREAS, having received notice of said hearing, pursuant to section 709.03(D) of the Ohio Revised Code, the Council of the City of North Canton shall adopt by resolution or ordinance, a statement indicating, upon annexation, what services it shall provide to the annexed Territory and the approximate date by which it will provide them.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORTH CANTON, COUNTY OF STARK, AND STATE OF OHIO

- Section 1. That upon the effective date of said annexation of the Territory described above, the City of North Canton shall provide, police, fire, and emergency medical services, as well as other public services provided to all other lands within the corporate limits of the City of North Canton as provided for in the ordinances of the City of North Canton and the statutes of the State of Ohio, including, but not limited to, sanitary sewer, storm sewer, road maintenance, water, and maintenance thereof, together with the enforcement of applicable housing, zoning, and building code regulations and ordinances.
- Section 2. That if a provision of this ordinance is or becomes illegal, invalid or unenforceable, that shall not affect the validity or enforceability of any other provision of this ordinance.
- Section 3. That this ordinance is hereby declared to be an emergency measure necessary for the preservation of the health, safety and peace of the City of North Canton and immediately necessary in order to file the ordinance with the Stark County Commissioners in a timely manner and at least twenty (20) days prior to its hearing. Wherefore, provided it receives the affirmative vote of six (6) or more members of Council elected thereto, this ordinance shall take effect and be in full force immediately upon its adoption by Council and approval by the Mayor.

 Subject: Resolution Request – Participation in 2013 Summa EMS Training Program

I am requesting a Resolution by City Council authorizing the Mayor of the City of North Canton to enter into a Summa Health System EMS Program Training Agreement with Summa Health System of Akron, Ohio. This agreement is no cost to the City and allows paramedic student(s) to earn training credits while working with our Fire / EMS emergency response units.

The City has entered into previous agreements with the Summa Health System EMS Training Program.

EMERGENCY REQUESTED X YES NO

Respectfully,

Michael J. Grimes

c: Director of Law
 Fire Chief Bacon

A resolution authorizing the Mayor of the City of North Canton to enter into a Summa Health System EMS Program Training Agreement ("Agreement") by and between the City of North Canton ("City") and the Summa Health System ("Summa") to provide an Education Program ("Program") to City Emergency Medical Service personnel, and declaring the same to be an emergency.

WHEREAS, Summa is organized as a nonprofit corporation, and is dedicated to the primary mission of providing medical care for its patients; and

WHEREAS, the City of North Canton Fire Department has established an Emergency Medical Service Department; and

WHEREAS, Summa conducts a paramedic educational training program for enrolled students and the City of North Canton Fire Department believes it is beneficial to the community to participate and provide clinical training for the Emergency Medical Service Paramedics.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NORTH CANTON, COUNTY OF STARK, STATE OF OHIO

Section 1. That the Mayor of the City of North Canton be, and is hereby authorized to enter into an Agreement by and between the City and Summa to provide a Program for City of North Canton Emergency Medical Service personnel.

Section 2. That if a provision of this ordinance is or becomes illegal, invalid or unenforceable, that shall not affect the validity or enforceability of any other provision of this ordinance.

Section 3. That this resolution is hereby declared to be an emergency measure necessary for the preservation of the health, safety and peace of the City of North Canton and further necessary for the timely implementation of the Agreement and to ensure the continued efficient operation of the Fire/EMS Department; wherefore, this ordinance shall take effect and be in force immediately upon its adoption by Council and approval by the Mayor.

January 16, 2013

Dear Mayor Held and North Canton City Council Members:

Thank you for the opportunity to discuss installing lights on certain North Canton Little League (NCLL) fields located on East Maple Street. As most of you know, the installation of lights was promised by Mayor Hines and Mayor Revoldt even before the lease was signed fifteen years ago. I am excited about the opportunity to finally move forward on this promise.

While we appreciate the thought behind Ordinance No. 5-13, the end result only allows us to serve a small group of our kids. Field eight (8) is our Junior League Field which was developed (regulation pitching distance, base length, and outfield) to facilitate our 13 and 14-year-old age group. Depending on the year, this league may have anywhere from two to five teams each consisting of 12 players. Our focus with the lighting request is to provide options for the hundreds of kids that are ages 7 to 12 years olds. The fields designed for this age group are Fields one (1) through six (6).

If given the opportunity, we would still like to install lights on Field eight (8); however, to better serve our community, our focus and preference would be to light Field two (2), three (3) and one (1), in that particular order. Fields two (2) and three (3) are NCLL's best fields while Field one (1) is designed without an infield and provides opportunities for girls softball and the Little League Challenger program (for handicapped children).

Attached is a copy of some notes about the benefits of the lights, an exhibit of the fields, and our proposed changes to Term Three (3) of the lease dated December 26th, 1998.

I think everyone would agree that the fields are a crown jewel of the community. The interaction of kids and their families at the NCLL fields is something very special to see. It is important to point out that significant investment (\$700,000), community fundraising and volunteer work took place over three years to make these fields a reality. In addition, over the last five years the NCLL has invested another \$232,000 in maintaining and enhancing the property. All of this was done without soliciting city funds or resources.

We have been good neighbors and good citizens to our community — and we plan on continuing that tradition. We have also become world ambassadors for the city of North Canton as a result of our successful baseball program. During the past two years our North Canton Junior team has amazingly advanced to the Little League World Series. As I write this letter, there are children in Venezuela and Taipei running through the streets wearing North Canton Little League T-Shirts as part of the exchange process during the ceremonies. How great is that!

Once again, we ask for the opportunity to enhance our program to better serve more children and their families in our great community.

Very truly yours,

Benefits of Lights at North Canton Little League Fields

***Host Tournament Play (add revenue to the community)**

- We have invested significant time, energy and money into developing one of the **best facilities in Ohio that is recognized state-wide**. We should continue to showcase our facility by taking it to the next level.
- We will be eligible to host tournament play to include local, regional, state and out-of-state teams, girls' softball along with events such as the **Challenger Tournament** (for handicapped children). Tournament play would also include hosting regional and state playoffs for the **Little League World Series ending with ESPN national coverage in Williamsport, PA**.
- Revenue generated by tournaments would not only benefit the NCLL program, but the community as well by encouraging out-of-town guests to **patronize our local restaurants, ice cream stands, fast-food chains, gas stations, convenient stores, hotels, etc.**
- We would be showcasing not only our fantastic sports facility, but our community as well as we look to **attract new businesses to the area such as the Hoover complex located directly down the street**.
- Generate additional exposure for one of the premier universities in the area, Walsh University.

***Creates a Safer Environment**

- Daylight to dusk happens quickly, making it almost impossible to see a baseball at times. The addition of lights would **enhance overall safety for our players and fans**.
- Similarly, with the quick change from daylight to dusk, it makes it difficult for umpires to know when to call a game due to darkness.
- The lights would partially light the parking lot as well which would also enhance safety, particularly with young players and fans darting in and out of the parking lot.

Further Expand and Enhance the Baseball Program

- By allowing for additional hours, we give our kids more practice time and more playing time. It is very difficult to get even half of a season schedule played due to **rainy or stormy weather** in Northeast Ohio. By having additional hours to play games, we would be able to get more games in.
- We could **preserve the overall condition of our fields** by having more playing time options when the fields are in poor condition due to the weather.
- If we want to further enhance our winning tradition, it makes sense to provide the kids with the added benefit of **more practice and playing time**.
- More participation would allow us to lower the costs to play, possibly opening the doors for some kids.

*North Canton Pride

- Let's make sure we are utilizing these facilities to their full potential to further promote **North Canton as a great play to live, go to school, raise a family and run a business.**
