Mary Beth Bailey
Clerk of Council

An ordinance to approve and adopt current replacement pages to the Codified Ordinances, and declaring an emergency.

WHEREAS, certain provisions within the Codified Ordinances should be amended to conform with current State law as required by the Ohio Constitution; and

WHEREAS, various ordinances of a general and permanent nature have been passed which should be included in the Codified Ordinances; and

WHEREAS, the City has heretofore entered into a contract with the Walter H. Drane Company to prepare and publish such revision which is before Council in the form of replacement pages to the Codified Ordinances.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORTH CANTON, COUNTY OF STARK, STATE OF OHIO:

SECTION 1. That, in accordance with Ohio R.C. 731.23, the ordinances of the City of North Canton, Ohio, of a general and permanent nature, as revised, recodified, rearranged and consolidated into component codes, titles, chapters and sections within the 2014 Replacement Pages to the Codified Ordinances are hereby approved and adopted.

SECTION 2. That the following sections and chapters are hereby added, amended or repealed as respectively indicated in order to comply with current State law.

SECTION 3. That the complete text of the sections of the Codified Ordinances listed above are set forth in full in the current replacement pages to the Codified Ordinances which are hereby attached to this ordinance as Exhibit A. Any summary publication of this ordinance shall include a complete listing of these sections. Notice of adoption of each new section by reference to its title shall constitute sufficient publication of new matter contained therein.

SECTION 4. That this Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, welfare and safety for the reason that there exists an imperative necessity for the earliest publication and distribution of the current replacement pages to the Codified Ordinances to the officials and residents of the Municipality, so as to facilitate administration, daily operation and avoid legal entanglements including conflict with general State law; wherefore, this Ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

A resolution adopting the Solid Waste Management Plan for the Stark-Tuscarawas-Wayne Joint Solid Waste Management District, and declaring the same to be an emergency.

WHEREAS, the City of North Canton is located within the jurisdiction of the Stark-Tuscarawas-Wayne Joint Solid Waste Management District.

WHEREAS, the Stark-Tuscarawas-Wayne Joint Solid Waste Management District Policy Committee prepared and adopted a final draft of the Solid Waste Management Plan in accordance with Ohio Revised Code Sections 3734.53, 3734.54 and 3734.55.

WHEREAS, the Stark-Tuscarawas-Wayne Joint Solid Waste Management District has provided a copy of the Draft Final Solid Waste Management Plan for ratification to each of the District's legislative authorities.

WHEREAS, the City of North Canton must decide by September 13, 2014, whether it approves of the said Solid Waste Management Plan.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NORTH CANTON, COUNTY OF STARK, AND STATE OF OHIO:

- Section 1. That the City of North Canton hereby approves in the form submitted the District's Solid Waste Management Plan, which is on file with the Clerk of Council.
- Section 2. That Clerk of Council is hereby directed to send the Stark-Tuscarawas-Wayne Joint Solid Waste Management District a copy of this ordinance to the attention of David Held, Stark-Tuscarawas-Wayne Joint Solid Waste Management District, 9918 Wilkshire Blvd, Bolivar, Ohio 44612.
- Section 3. Resolution Request

To: Daniel J. Peters, Council President
Date: August 27, 2014
Subject: Resolution Request – Solid Waste District Update Plan

I am requesting authorization to approve the updated Stark-Tuscarawas-Wayne Joint Waste Management Plan.

The District is tasked with updating their plan and asking all local communities within the District to approve the updated plan before September 13, 2014. If the updated plan is not approved, control would revert back to the Ohio EPA. If a community does not approve the plan or takes no action, the State of Ohio counts that as a negative vote. The original plan was developed by a local planning process and approved by our Council in 2010. The City benefits from the plan especially in the area of recycling grants.

I have attached a summary of the updated plan. Again, I would ask Council for approval of the updated plan.

Solid Waste Management District

Introduction

The Stark-Tuscarawas-Wayne Joint Waste Management District (District) will submit its updated Solid Waste Management Plan to all cities, villages and townships in Stark, Tuscarawas and Wayne counties for approval. This approval process, also known as ratification, is the final step before the District seeks final approval from Ohio EPA to implement this new Plan.

Your Community's Responsibility – Plan Ratification

Each community within each county of the District will be asked to approve the District's Solid Waste Management Plan during the period of June 16, 2014 through September 13, 2014 (ratification period). The process requires each community to: review a copy of the Plan, act on the Plan during the ratification period (90 days) and submit a certified copy of the resolution or legislation to the District. Failure to act on the plan is considered by the State of Ohio to be a negative vote.

What if the Plan is Not Ratified?

If local ratification does not occur, the Director of Ohio EPA is required by state statute to prepare a Solid Waste Plan for the District and order the District to implement the state's plan. This could negatively affect the District because local control of our Plan would be relinquished to Ohio EPA. The Plan you will vote on was developed through a local planning process and contains the recommendations, programs and initiatives from the District's Policy Committee. These programs and initiatives will provide for a cost effective and environmentally sound solid waste management system for the District and are designed to enhance and expand recycling opportunities and recycling participation. The District urges communities to learn more about the Solid Waste Management Plan in order to make an informed decision.

Executive Summary of Solid Waste Management Plan

The following executive summary of the Solid Waste Plan has been created for elected officials in the District to demonstrate how the District's Solid Waste Plan benefits each community. The District offers a wide variety of programs and initiatives that offer real value to its communities. The District provides programs in solid waste management programming for hard to manage materials such as household hazardous waste, scrap tires and electronics. The District also operates a highly successful education and awareness program and other effective solid waste management programs.

Solid Waste Disposal Capacity

This demonstration is one of the fundamental requirements of the Solid Waste Plan. The District conducted a regional capacity analysis and has demonstrated that there is sufficient disposal capacity for all solid waste generated by District residents, businesses, and industry for the planning period (2015-2024).

Goals

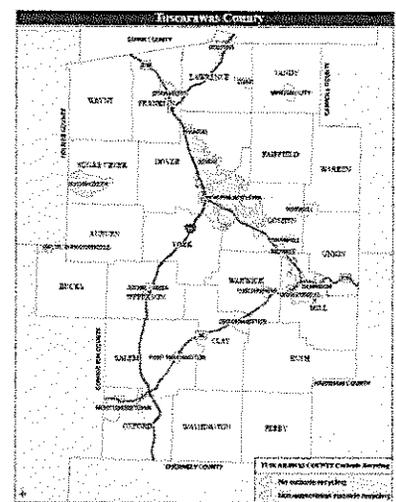

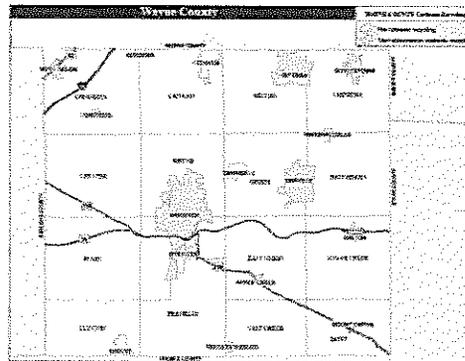

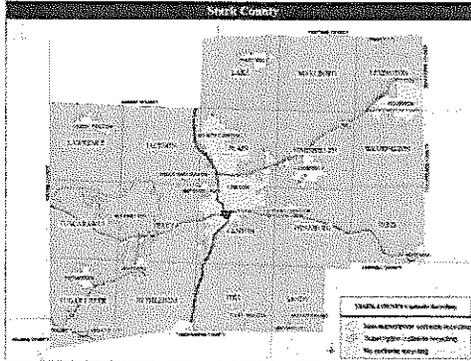

The District's solid waste plan provides recycling programs to 97% of Stark County residents, 100% of Tuscarawas County residents and 100% of Wayne County residents, the goal is 90%. The District has demonstrated that 19.6% of the residential/commercial sector waste stream and 71.77% of the industrial sector waste stream has been recycled. The goal is 25% for the residential/commercial sector and 66% for the industrial sector.

Financing the Plan

The District will finance the updated Solid Waste Plan through the continued reliance on disposal fees collected at the landfills in the District. The disposal fees are \$1.00 per ton on every ton of solid waste generated in the District, \$2.00 per ton for solid waste accepted from out of the District but in the State of Ohio and \$1.00 per ton for out of state solid waste. The District is not projecting any increase in the disposal fees throughout the planning period (2015-2024).

Residential Recycling Programs

The District promotes and supports numerous residential recycling programs and offers special collection services to maximize diversion of solid waste from landfills. The following programs were offered:

- Curbside Recycling Program – 6,169 tons
- Recycling Drop Off Programs – 12,208 tons
- Scrap Tire Recycling - 424 tons

Commercial / Industrial Recycling Programs Performance
