insurance or a letter of credit (or other credit, liquidity or similar agreement) if so provided in the Bond Purchase Agreement and the Trust Agreement. The Mayor or the Director of Finance are authorized to enter into such insurance or credit agreements if so requested by the Company.

Notwithstanding anything to the contrary in this ordinance, the Bonds, or the Trust Agreement, the Bonds do not and shall not represent or constitute a debt or pledge of the faith and credit of the City, the State, or of any political subdivision thereof, and the Holders have no right to have taxes levied by the General Assembly of the State or the taxing authority of any political subdivision of the State for the payment of the Bond Service Charges. (a) Arbitrage Provisions and City Information Return. The City covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent as may be necessary so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. Any of the Chairman, Vice Chairman, Secretary, or Deputy Secretary, alone or in conjunction with the Company or any officer, employee, or agent of or consultant to the Company, shall give an appropriate certificate of the City that sets forth the reasonable expectations of the City regarding the amount and use of the proceeds of the Bonds, the facts, estimates, and circumstances on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Bonds, including the Tax Agreement.

The City covenants that it: (i) will take, or require to be taken, all actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, and (ii) will not take or authorize to be taken any actions that would adversely affect that exclusion under the provisions of the Code. The Mayor or Director of Finance are hereby authorized and directed to take any and all actions and make or give such reports and certifications as may be appropriate to assure such exclusions of that interest.

(b) Transcript of Proceedings. The City shall furnish to the Original Purchaser a true transcript of proceedings for the Bonds along with such information for the records as is necessary to determine the regularity and validity of the issuance of the Bonds.

Section 10. Direct Placement. As the Bonds are being placed directly with the Original Purchaser, an Offering Circular relating to the original issuance of the Bonds will not be prepared by the Company.
