**Re:** Back to school safety tip / Stopping for a school bus

---

[North Canton, OH.] Schools in North Canton, Ohio start this week; St Paul School, Tuesday, August 21<sup>st</sup> and North Canton City Schools on Wednesday, August 22<sup>nd</sup> 2013. One of the most important questions the police department encounters regarding back to school safety pertains to stopping for a school bus.

### What should you do when approaching any school bus that is stopped for the purpose of receiving or discharging school children?

- When a school bus driver is preparing to stop the bus, he or she activates four amber lights – two on the front and two on the rear of the bus. These lights continue to flash until the bus is fully stopped. Other vehicles are not required to stop during this preliminary stage of the eight-light warning but should prepare to stop as soon as the bus comes to a full stop. When the bus comes to a complete stop, the amber lights stop flashing and four red lights – two in the front and two in the back – start flashing while the children enter or leave the bus. In addition, a stop arm with flashing red lights is automatically extended beneath the window on the left side of the bus.
- If a bus is stopped on a street or road which *has fewer than 4 lanes*, all traffic proceeding in either direction must stop at least 10 feet from the front or rear of the bus.
- You must not proceed until the school bus resumes motion, or until signaled by the school bus driver to proceed.
- If a bus is stopped on a street or road which *has 4 or more lanes*, only traffic proceeding in the same direction as the bus must stop.

If you fail to stop for a school bus, your error will not go unnoticed. Bus drivers will report to the police department, the license plate number of any vehicle that fails to comply with the law. An investigation will be conducted to identify the driver for enforcement purposes.

Penalties for not obeying these rules could cost you up to \$500.00 and a maximum 1 year suspension of your driver's license. (4511.75).

Please obey these laws and other safe driving habits to assure the safety of our community and others like it throughout one's travels.
