CITY OF NORTH CANTON

Michael J. Grimes

Director of Administration

NEWS RELEASE FOR IMMEDIATE RELEASE

Michael J Grimes, Director of Administration for the City of North Canton, announced that the Water Distribution Department will be conducting city-wide hydrant-flushing in the City of North Canton on the following dates:

Sunday, September 27, 2015	-Hydrant Flushing in the North West section of the City of North Canton
Tuesday, September 29, 2015	-Hydrant Flushing in the South West section of the City of North Canton
Thursday, October 1, 2015	-Hydrant Flushing in the North East section of the City of North Canton
Sunday, October 4, 2015	-Hydrant Flushing in the South East section of the City of North Canton
Tuesday, October 6, 2015	-Hydrant Flushing in the area North of Mt. Pleasant

Flushing will take place between the hours of 11:00 P.M. and 5:00 A.M.

Mr. Grimes recommends that users of the North Canton water system should check their water for discoloration before laundering. If there is discoloration, and it lasts for several hours, please call the North Canton Drinking Water Plant at 330-499-6473.

Michael J. Grimes
Director of Administration
