**CITY OF NORTH CANTON**  
**Michael J. Grimes**

**NEWS RELEASE  
FOR IMMEDIATE RELEASE**

Michael J. Grimes, Director of Administration for the City of North Canton, announced that the Water Distribution Department will be conducting city-wide hydrant-flushing for the City of North Canton on the following dates:

- |                          |   |
|--------------------------|---|
| Sunday, April 24, 2016   | -Hydrant Flushing in the North West section of the City of North Canton & including North of City limits, West of Cleveland Ave |
| Tuesday, April 26, 2016  | -Hydrant Flushing in the South West section of the City of North Canton   |
| Thursday, April 28, 2016 | -Hydrant Flushing in the North East section of the City of North Canton & including North of City limits, East of Cleveland Ave |
| Sunday, May 1, 2016      | -Hydrant Flushing in the South East section of the City of North Canton   |

Flushing will take place between the hours of 11:00 P.M. and 5:00 A.M.

Mr. Grimes recommends that users of the North Canton water system should check their water for discoloration before laundering. If there is discoloration, and it lasts for several hours, please call the North Canton Drinking Water Plant at 330-499-6473.

Michael J. Grimes  
Director of Administration
