NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF NORTH CANTON, COUNTY OF STARK, STATE OF OHIO, THAT::

- Section 1. It is necessary to issue bonds of this City in the aggregate principal amount of not to exceed \$920,000 (the Bonds) for the purpose of paying costs of constructing (a) approximately 834 lineal feet of 12-inch raw waterline from water supply well #10; running north 650 feet along the east side of the Zimber Creek; and crossing Zimber Creek; (b) approximately 6,782 lineal feet of 16-inch raw waterline from west side of Zimber Creek; running 1,200 feet north along the west side of Zimber Creek; crossing Interstate 77; running 500 feet north along the Metro railroad right-of-way; crossing the Zimber Creek; running north along Salway Street SW to Linda Street SW; and then running west along Linda Street SW to the dead end of the street where it will connect to existing City owned raw water system lines; (c) 70 lineal feet of 22-inch steel encasement pipe from east side of Zimber creek to west side of Creek located on City-owned well field property; and (d) 715 lineal feet of 28-inch steel encasement pipe from west side of Interstate 77 to east side of Interstate 77; and west side of Metro railroad to south end of Salway Street SW right-of-way; together with the necessary appurtenances.
- Section 2. The Bonds shall be dated approximately February 1, 2011, shall bear interest at the now estimated rate of 4.50% per year, payable semiannually on each June 1 and December 1 until the principal amount is paid, and are estimated to mature in 40 annual principal installments on December 1 of each year that are substantially equal. The first principal payment of the Bonds is estimated to be December 1, 2011.
- Section 3. It is necessary to issue and this Council determines that notes in the aggregate principal amount of \$920,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds. The Notes shall be dated the date of issuance and shall mature six months from the date of issuance provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is no less than thirty days and no more than six months from the date of issuance, by setting forth that maturity date in the Certificate of Award. The Notes shall bear interest at a rate or rates not to exceed 4.00% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. If requested by the original purchaser, the Notes may provide that, in the event the City does not pay or make provision for payment at maturity of the debt charges on the Notes, the principal amount of the Notes shall bear interest at a different rate or rates not to exceed 10.00% per year from the maturity date until the City pays or makes provision to pay that principal amount. The rate or rates of interest on the Notes shall be determined by the Director of Finance in the certificate awarding the Notes (the Certificate of Award) in accordance with Section 6.

Section 4. The debt charges on the Notes shall be payable in lawful money of the United States of America, or in Federal Reserve funds of the United States of America as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the principal office of office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose (the Paying Agent).

Section 5. The Notes shall be signed by the Mayor and Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this section and this ordinance:

"Book entry form" or "book entry system" means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes "immobilized" in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

"Participant" means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit

withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

- Section 6. The Notes are hereby sold at not less than par plus accrued interest at private sale to Ross, Sinclair & Associates, Inc., in accordance with law and the provisions of this Ordinance. The Director of Finance shall sign the Certificate of Award referred to in Section 3 evidencing that sale to the original purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code.
- Section 7. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.
- Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.
- Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due. In each year to the extent money from the water fund is available for the payment of the debt charges on the Notes and Bonds and is appropriated for that purpose, the amount of the tax shall be reduced by the amount of the money so available. Nothing in this paragraph in any way diminishes the pledge of the full faith and credit and property taxing power of the City to the prompt payment of the debt charges on the Notes and Bonds.
- Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Notes are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. In that connection, the City hereby represents and covenants that it, together with all its subordinate entities or entities that issue obligations on its behalf, or on behalf of which it issues obligations, in or during the calendar year in which the Notes are issued, (i) have not issued and will not issue tax-exempt obligations designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code, including the Notes, in an aggregate amount in excess of \$30,000,000, and (ii) have not issued, do not reasonably anticipate issuing, and will not issue, tax-exempt obligations (including the Notes, but excluding obligations, that are private activity bonds as defined in Section 141 of the Code and excluding refunding obligations that are not advance refunding obligations as defined in Section 149(d)(5) of the Code) in an aggregate amount exceeding \$30,000,000, unless the City first obtains a written opinion of nationally recognized bond counsel that such designation or issuance, as applicable, will not adversely affect the status of the Notes as "qualified tax-exempt obligations". Further, the City represents and covenants that, during any time or in any manner as might affect the status of the Notes as "qualified tax-exempt obligations", it has not formed or participated in the formation of, or benefitted from or availed itself of, any entity in order to avoid the purposes of subparagraph (C) or (D) of Section 265(b)(3) of the Code, and will not form, participate in the formation of, or benefit from or avail itself of, any such entity. The City further represents that the Notes are not being issued as part of a direct or indirect composite issue that combines issues or lots of tax-exempt obligations of different issuers.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Section 11. The Clerk of Council is directed to deliver a certified copy of this Ordinance and the Certificate of Award to the County Auditor of Stark County.
